Dear Mrs Manley:

As I have explained before that we have only one Sun. in April in our big park here, but we have rented the school park for the 14, of April and I am sure that this should be a paying proposition if the weather premits.

I would like very much for you to take this date, and I beleive with the right build up we should both make money. Please let me know by return mail if this is possible.

Very Truly Yours,

John H. Harden.
